

I'd walk a mile for a Camel

The pleasure is worth it. There's no substitute for Camel quality and that mild, fragrant Camel blend.

The fellow who smokes Camels, wants Camels. That's because Camels have a smoothness, a fragrance and a mildness you can't get in another cigarette.

Don't let anyone tell you that any other cigarette at any price is so good as Camels.

Let your own taste be the judge. Try Camels for yourself. A few smooth, refreshing puffs and you'd walk a mile for a Camel, too.

Camel

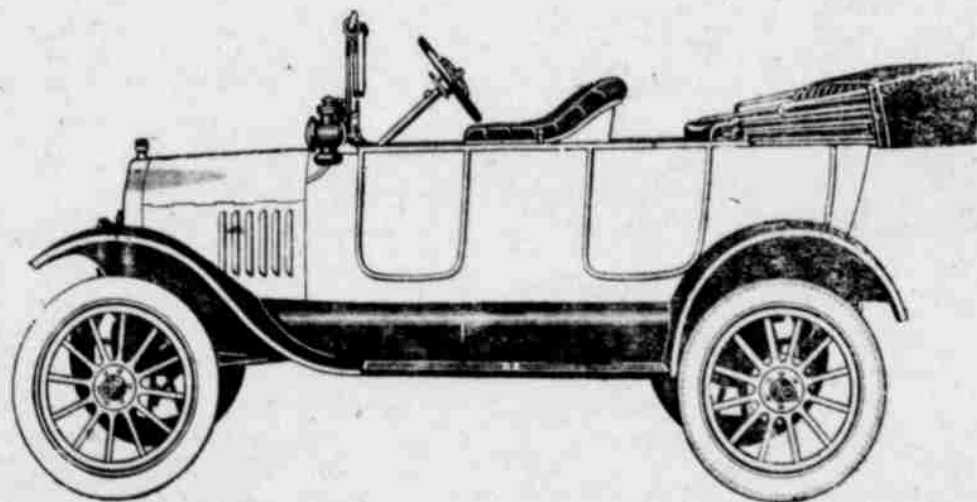

A REMARKABLE PRAYER. The Lord has listened to all manner of exhortation throughout the ages, from the chant of the savage tribe of the jungle to the polished petitions of a Broadway pastor, but the oddest supplication probably was that of an old colored minister of Red Rock Miss. A white man who heard

the devout colored divine, and who happened to be a shorthand expert, took it down verbatim. It shows that the dark-skinned apostle is as resourceful as he is, devout for he included in his exhortation all the modern contrivances of the twentieth century, and probably some which have not yet been invented. The prayer

follows:
"O Lord, give Thy servant this maw'nin' the eyes of the eagle and the wisdom of the owl; connect his soul with the gospel telephone in the central skies, luminate his brow with the sun of heaven; pizen his mind with the love for the people; turpetine his 'magination, grease his lips

Ford

THE UNIVERSAL CAR

We represent the most thorough and up-to-date motor car factory in the world, turning out the best allround car on the market today—the most adaptable to every need of every class of people.

The Ford Service organization, of which we are a branch, is the most extensive, as well as the most intensive organization of its kind in existence, consisting of over 18,000 Service Stations in the United States. It is our duty to uphold the high ideals for the Ford organization in this territory, to deliver cars as promptly as possible, to give quick and thorough repair service and courteous treatment to all customers.

Dear Sentinel:

I have been taking the Sentinel for quite a while and it always finds a welcome in our home. Yet, it has changed to a great extent, or I have at least. I do not know so many of the writers as I did when I left Jackson county nearly 5 years ago. However, there's a warm place in my heart for old Jackson county. I am coming back in a short time on a visit and renew my acquaintance.

Everything is certainly dull around here.

M. E. Jackson has left here and gone to Burbanks, Okla. He says he likes fine.

Jasper Jackson visited James Jackson Friday night.

Hello! Jess Jackson when are coming back to Wynona?

Dee Jackson why don't you write?

Nathen Button was transferred to Burkbanks, the first of the week.

Lena Jackson and Dan Lucile are visiting James Jackson and family this week.

Hello! James Medlin, I hope you are still alive.

Miss Opal Ayers is visiting her sister at Sapulpa, this week.

Lena and Mollie Jackson motored to Burbank Saturday.

Gainesboro R-I why don't you write?

Best wishes to the Sentinel and its many readers.

James Jackson.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

At all druggists.
